

Dr.-Ing. Christoph Brandenbusch

Bioprocess Separations & Biologics Formulation Development,
Laboratory of Thermodynamics, Department of Biochemical and Chemical Engineering,
TU Dortmund, Germany

PROFESSIONAL CAREER

2002 – 2007	TU Dortmund	Study of Chemical Engineering
2007 - 2011	TU Dortmund	PhD in Chemical Engineering
since 2012	TU Dortmund, Laboratory of Thermodynamics	Group Leader (Akademischer Rat)

AWARDS

2009	2 nd place Karl-Schügerl-Award 2009 for outstanding scientific achievements in the field of biotechnology
2015	DECHEMA Hochschullehrernachwuchspreis 2015
2015	Winner of the WYATT Application Note Contest Award
2015	Lecturer award of TU Dortmund for courses > 100 students

FIELDS OF RESEARCH

Bioprocess Separations
Biologics Formulation Development
